

3-day **MT BULLER** tour

Day one:

Depart Melbourne around 07.00AM we head directly to Mansfield where we would spend a few hours in **Mansfield Zoo**. It's one of North East Victoria's hidden secrets with a large collection of exotic and native animals on 30 acres of picturesque parkland featuring lovely views across the Delatite Valley to Mt Buller.

Hand or spade feed many of the animals as you wander, including monkeys! Meet Hobbs, our mischievous capuchin monkey and Basil the chocolate camel, who loves to steal spades. Wander with Emily and Miss Greedy, our friendly fallow deer, and Joey the Grey Kangaroo, just some of the animals who will interact with you as you stroll around.

You can bring along family, friends and a picnic lunch and bbq in their undercover facilities. After we tour around Mansfield, we settle down for the night at **Mansfield Motel**.

Day two:

This morning soon after our breakfast at **Mansfield Bakery** for good Australian Pie, Sausage Rolls, Pasties and a salad Rolls Freshly Made, we'll take you to Ski Chute 4 for your snow gear hire, then head towards Mt Buller to enjoy the rest of the day in the Snow.

We then return to our accommodation around 5PM for another night at Mansfield Motel. You'll have some time to freshen up before enjoying our Dinner tonight at **Bos Taurus Bar Bistro & Artisan Butchery** with an open winter fire.

Day three:

Again, this morning after our breakfast, we'll head to Mt Buller for another day to enjoy the Snow season. We shall be leaving the area around 4.00 PM to head back to Melbourne.
